Subject: Response to Complaint

Notes:

I have been looking in to this case and cannot find anything on this Address I called Norma at City Engineering in SF and 1st Rate Excavating put the Sewer & Water and Dug the basement at 7313 W. 65th We were on 7309 W 65th and the employee Who worked at that location doesn't work for Us any more but if Damages acured at 7313 we have never worked at that location. We will continue to look into this matter as to try and contact the employee that worked at 7309 W 65th. We at Empire Const. take one calls serious and dont condone Digging Without locates. We will talk to our Employees on this matter.

Agian if this was indeed damage caused by us we will take care of this matter and pay for the Damages. We are sorry for any Inconvience caused and Hope to Resolve this Issue. If you have any Questions you can Call me at 605-231-0495 and agian I wonder if they had the wrouge Address or Company

Thanks David Kopitski
