<b>BY SDCL 49-7A-8</b>	

On April 16, 2004, pursuant to SDCL 49-7A-17, the South Dakota One Call Board (Board) received a complaint filed by Montana-Dakota Utilities Co. of Rapid City, South Dakota (MDU), against Wesley Johnson, the owner of CreateAScape Landscaping, Rapid City, South Dakota (Johnson). According to the complaint, Johnson severed a natural gas distribution pipeline owned by MDU while excavating. The complaint alleged that Johnson: 1) failed to notify the one-call center before excavating in violation of SDCL 49-7A-5 and 2) failed to hand-dig and expose the natural gas facility in violation of SDCL 49-7A-8.

Pursuant to SDCL 49-7A-23 and 49-7A-24, a copy of the complaint was forwarded to Johnson via certified mail sent on April 27, 2004, advising him that he must file an answer in writing by May 21, 2004. Return receipt indicates that Johnson signed for the notice on April 29, 2004. On May 26, 2004, an answer was filed by Johnson. Pursuant to SDCL 49-7A-22, a five member panel (Panel) was appointed by Kevin Kouba, Chairman of the Board, for the purpose of determining whether there was probable cause to believe there had been a violation of any statute or rule of the Board. The Panel met on June 2, 2004. Pursuant to SDCL 49-7A-25, based on the complaint filed by MDU and the answer filed by Johnson, the Panel determined by unanimous vote that there had been violations of the statutes as alleged in the complaint.

With regard to the alleged violation of SDCL 49-7A-5, the Panel found that there was probable cause to conclude that Johnson had violated SDCL 49-7A-5 by commencing excavation without providing the required notice to the South Dakota One Call System. Pursuant to SDCL 49-7A-18 and 49-7A-26, the Panel recommended a penalty of five hundred dollars (\$500.00) with three hundred dollars (\$300.00) suspended on the basis that Johnson fully comply with SDCL Chapter 49-7A and ARSD Article 20:25 for twelve months following acceptance of resolution of Complaint OC04-003(A). With regard to the alleged violation of SDCL 49-7A-8, the Panel found that there was probable cause to conclude that Johnson had violated SDCL 49-7A-8 by failing to properly expose a marked underground utility line. Pursuant to SDCL 49-7A-18 and 49-7A-26, the Panel recommended a penalty of one thousand dollars (\$1000.00) with four hundred dollars (\$400.00) suspended on the basis that Johnson fully comply with SDCL Chapter 49-7A
