To Whom It May Concern:

As the vendor providing One Call services to the State of South Dakota, we have an obligation to transmit complete and accurate information to all the facility operators in South Dakota. Over the past several years, you have refused to accept the telephone notifications as required by statute and I would like to provide you with some options that would allow you to be in compliance with SDCL 49-7A.

The options available to you are:

1. Receive your notifications via facsimile
2. Receive your notifications via email

I have attached a copy of your current membership data and also a membership receiver change form that you can use to make any desired modifications. Both of these options are significantly less expensive than the current method you have chosen.

I would also like to advise you that should you continue to refuse to accept the one call notification information in the manner of delivery you choose, we will consider filing a complaint pursuant to SDCL 49-7A-23 & SDCL 49-7A-24

If you have any questions regarding the requirements to receive ticket notifications, you should contact Larry Englerth, Executive Director of the South Dakota One Call System, at 605-339-0529. If you have any questions regarding the forms attached or other operational procedures, you can contact John McNamara at 412-415-5020.

Sincerely

Gary: **D & D Trailer Park, (DDD) invoice # 85175** There are a couple of Problem Resolution Forms filed for **D & D Trailer Park, DDD**. The individual listed as the Voice Member and contact, **Mark Siefkes, 605-854-3982**, refuses to take Voice Messages. He has told our operators that he no longer needs to be notified. And on another call, that he has sent a letter (to whom?) stating they are no longer One Call Members. I checked with Joan to see if she had any information to verify this. She states that they have been a problem for about two years, not paying their bill. Joan said the D & D was sold at one time to this present person, Mark, but she never received any letter stating they were no longer members. The voice operators are in a quandry as to what to do with the voice messages they have for D & D. Can you assist? L.Genito

There are many times when the call will be refused at this phone number. While this is often the case, it is still important that we continue to make the call each time. The information will sometimes be taken depending on the person who answers the phone.

Be sure to follow the instructions listed in the memo for when these refusals occur:
