RE: Complaint OC07-008 filed by Prairie Wave against the City of Hurley

To Whom It May Concern:

I received the complaint as listed above. Joe Garry, Maintenance Supervisor, said his normal procedure is to call SD One Call when doing any digging. Joe stated that he forgot to call on November 14 while digging to put in a new culvert and clean out the ditch around the culvert. He also stated that he cut the telephone cable after digging to about 1½ feet but the complaint stated the cable was buried at 3 feet.
