Your answer should be as thorough and detailed as possible and should include any documentation that supports your position e.g. witness statements, pictures, etc. We would encourage you to specifically address the alleged violation of SDCL 49-7A-5 referenced in the complaint:

Failure to provide advance notification to the South Dakota One Call Notification Center prior to commencing excavation on May 27, 2009, at Exit 52, Eastbound Lane of Interstate 90.

Pursuant to SDCL 49-7A-22 a panel of Board members will make a determination of probable cause based on the complaint and associated response. If probable cause is

determined, the panel may recommend penalties under SDCL 49-7A-18 or SDCL 49-19. If any financial penalties are assessed in response to Complaint OC08-007 the amount will be based on the factors noted in SDCL 49-7A-26 which are as follows:

1. The amount of damage
2. The degree of threat to the public safety, and
3. The public inconvenience caused;
4. The respondent's plans and procedures to insure future compliance with statute and rules;
5. Any history of previous violations;
6. Other matters as justice requires.

You may address any of these items in your response if you believe it would be of value to the Enforcement Panel when they consider this complaint.

Pursuant to SDCL 15-6-55, failure to answer this Complaint could result in a default judgment being issued against you. Appropriate liens and other legal collection actions could result. You are strongly urged to reply to this Notice in the time frame described above and to obtain the advice of counsel should you have any legal questions.
