Your answer should be as thorough and detailed as possible and should include any documentation that supports your position e.g. witness statements, pictures, etc. We would encourage you to specifically address the alleged violation of SDCL 49-7A-08 referenced in the complaint:

Pursuant to SDCL 49-7A-22 a panel of Board members will make a determination of probable cause based on the complaint and associated response. If probable cause is

determined, the panel may recommend penalties under SDCL 49-7A-18 or SDCL 49-19. If any financial penalties are assessed in response to Complaint OC09-007 the amount will be based on the factors noted in SDCL 49-7A-26 which are as follows:

1. The amount of damage
2. The degree of threat to the public safety, and
3. The public inconvenience caused;
4. The respondent's plans and procedures to insure future compliance with statute and rules;
