Dear Sir:

This letter is in reference to our failure to notify the one-call notification center of the proposed excavation at 4900 S. Kalen Place, Sioux Falls, SD on February 11, 2010. I am fully aware that I am in wrong for not getting a locate at that address. I am not aware of any damage that was caused by my company as a result of this error. I was aware of the gas pipe in the area due to the requirements of the builder as to where he could put the basement.

I have never been notified of any other infractions with One Call since I bought this business in 2001. Prior to that I worked for an excavator for approximately 30 years. In the future I will be more conscientious of my responsibilities as an excavating business owner.

Sincerely,

A handwritten signature in black ink that reads "Harlan Zwak". The signature is written in a cursive, flowing style.
