RE: One-Call Complaints against Coastal Technical Service (10-003) and EarthScope (10-004)

Dear Mr. Janes:

As you requested in your email of June 29, 2010, the following letter confirms that Northern Natural Gas Company ("Northern") only wishes to proceed on a one call complaint against EarthScope and does not wish to proceed against Coastal Technical Services. It hereby withdraws its complaint against that entity.

I trust that this letter satisfies your request for clarification. Thank you for your consideration.

Very truly yours,

Jeff A. Anderson
Senior Counsel
