Re: OC10-009

Dear Mr. Kohl;

On November 29, 2010 OtterTail Power Company filed a complaint against your company. The Enforcement Panel of the South Dakota One Call Notification Board met regarding the complaint and found probable cause to believe a violation South Dakota codified law occurred. The Enforcement Panel assessed a One Thousand Dollar penalty (\$1,000). Five Hundred (\$500) of that was, however, suspended if payment was made by March 16, 2011. You failed to make payment and the entire One Thousand Dollar (\$1,000) penalty is now due.

On March 24, 2011 the executive director of SD One Call sent the enclosed letter to give you additional time to address the violation and penalty. You have, to date, failed to make any attempt to pay the penalties or make other arrangements.

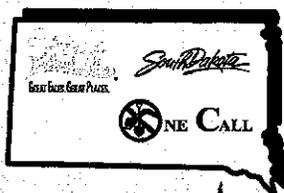

You are hereby demanded, pursuant to SDCL 49-7A-33 to pay said penalty within thirty days of receipt of this letter. If you do not pay the penalty, the Public Utilities Commission may bring an action in the name of the State of South Dakota against your company in circuit court. See SDCL 49-7A-28. Please contact me with any questions.

Sincerely,

Kara Semmler

Special Assistant Attorney General for the SD Public Utilities Commission

Mr. Kohl:

This is a reminder notice of the five hundred dollars (\$500) which was due to South Dakota One Call on March 16, 2011. This is in regards to the South Dakota One Call Board Order Adopting Enforcement Panel Recommendation on Complaint OC10-009, which was delivered by Priority Mail on February 22, 2011.

OC10-009 -- Digging without a locate ticket at 509 Old Agency St., Sisseton, South Dakota September 29, 2010. This Order required a payment of five hundred dollars (\$500) to be received by March 16, 2011.

Because payment was not received and because no effort has been made by Robert Kohl Construction to contact South Dakota One Call to arrange to make that payment, the additional amount of five hundred dollars (\$500) which was suspended, is now also due. However, if you contact South Dakota One Call in writing by April 1, 2011 to either make a one-time payment of five hundred dollars (\$500) or to make some other reasonable monthly payment amount agreed to by South Dakota One Call, we may agree to not impose the additional suspended amount of five hundred dollars (\$500). If no response is received from Robert Kohl Construction by the close of business on April 1, 2011, then the total amount of one thousand dollars (\$1,000) will be imposed, and the collection process will begin. Please contact us to make payment arrangements no later than April 1, 2011 at:
