Re: OC11-004

Mr. Wipf:

As discussed on the telephone this morning, a Notice of Complaint;Deadline for Answer letter was mailed to you on August 4, 2011, regarding a complaint filed against Oaklane Colony. While the Complaint was written correctly, the name of the complainant was identified incorrectly in that letter. I sincerely apologize for the error and confusion it may have caused and have enclosed a corrected Notice of Complaint. As the complaint states, the complaint was filed by Nustar Pipeline Operating Partnership, L.P. DBA Nustar Energy. The required date to answer the complaint continues to be August 24, 2011.

Thank you.
