Mr. Runge:

On January 26, 2012 the South Dakota One Call Notification Board issued an Order, Complaint Docket OC11-007, for payment of two penalties of one thousand dollars (\$1,000) each, with five hundred dollars (\$500) suspended each, if the payment of one thousand dollars (\$1,000) was received within 30 days of issuance of the Order. As of February 29, 2012 no payment has been received. Because the payment is past due the suspended amounts are now also due, bringing the total amount for this Docket to two thousand dollars (\$2,000).

On January 26, 2012 the South Dakota One Call Notification Board issued an Order, Complaint Docket OC11-008, for payment of two thousand five hundred dollars (\$2,500) to be paid within 30 days of issuance of the Order. This payment was also not made.

According to US Postal records you received these notices on January 28, 2012.

Be advised this is a SDCL 49-7A-33 thirty-day demand for payment. If a total payment of four thousand five hundred dollars (\$4,500) is not received by April 10, 2012 collection activity will be brought by the South Dakota Public Utilities Commission.
