Mr. Zilligen:

The South Dakota One Call Notification Board has received your letter to withdraw from your Request for Hearing in regards to Complaint Docket OC12-009.

The South Dakota One Call Notification Board will meet on October 3, 2012 in Pierre, South Dakota to discuss and make decisions on several issues, including whether to accept or dismiss Enforcement Panel Recommendations. OC12-009 is one of several complaint dockets which the Board will take into consideration. You will receive a copy of that meeting Agenda in the mail around the last week of September. If the Board agrees with the Panel and issues an Order for payment, you will be notified at that time of where to send the payment and when it is due. If the Board believes the Panel made a procedural error in its Recommendation, it may dismiss the Panel's decision, in which case, you will also be notified.

If you have further questions, please let me know.

Thank you.

South Dakota One Call,

Due to the legalities involved, Absolute Contracting would hereby retract its rejection of the South Dakota One Call Enforcement Panels findings for complaint docket OC12-009.

Please advise us as to who and where to send the check for the sum of \$500.00 as per the ruling of July 25, 2012 regarding OC12-009.

Please forward this information to the proper parties involved, thank you.

Respectfully,

Jerry Zilligen
