In accordance with the conditions Ordered by the South Dakota One Call Notification Board, your company is required to send a representative to attend a Spring Excavator Meeting in 2014 to further education of the requirements of South Dakota One Call laws and administrative rules. Please remember that the suspended portion of the penalty amount addressed in the South Dakota One Call Board Order will be due within 30 days of the final Spring Excavator meeting in 2014 in the event of non-attendance.

The meeting schedule is attached. Also attached is a copy of a Record of Attendance. Please bring two copies of this to the meeting, after which your representative and I will each sign as proof of attendance. We will then each keep one of the copies for our records.

If you have any questions, please feel free to contact me.

Thank you.
