Dear Executive Director,

As per the Panel's findings and penalty and conditions, please find the following:

Select Builders shall attend an excavating seminar in the spring of 2014.

Select Builders Inc. conducted an employee in house safety meeting on the importance and mandatory following of the rules of the South One Call.

The materials discussed and handed out to the employees were copies of the 44 page brochure of the South Dakota One Call. We thoroughly went thru the 12 chapters and explained, in no uncertain terms, that it is absolutely, no excuses accepted, that before digging, to call 811. This meeting was held on Friday morning, Sept. 13th, 2013 at 8 a.m. The meeting lasted until 9: 20 a.m.

The names and signatures of the participating members, employees of Select Builders Inc. are attached.

Sincerely,

Sam Wipf
President
