To Whom It May Concern:

I represent Aaron George in regard to the referenced matter. MidAmerican Energy is attempting to bill Mr. George \$5,590.27 for the repair of a gas line. Mr. George disputes the bill to be his responsibility. While there are a variety of defenses available to Mr. George, MidAmerican is responsible for much of the issue in this matter. The gas line was no more than six (6) inches below the surface. In addition, one of MidAmerican's employees told Mr. George that the gas line was not on any of their records, thus it was unable to locate it. Presumably, this increased the costs incurred by MidAmerican, which is not the responsibility of my client. Mr. George is willing to resolve this matter on terms which are mutually agreeable. Please contact the undersigned to discuss. Thank you.

Respectfully yours,
Brende Schroeder Meadors LLP
