South Dakota One Call

Dear Mr. Janes:

Attached is a copy of the sign in sheet that was used for our South Dakota One Call safety meeting. As stated on the sign in sheet we discussed sections 1 through 10 with the exception of section 6 in our meeting. The duration of this meeting was approximately 25 minutes.

Employees present were Jeff Hendricks, which was the foreman of the laborer that struck the gas line, Martin Kramer, Mark Woodruff and I. Unfortunately at this time Mel Wright, the laborer of Mr. Hendricks, has been laid off for the winter season and was unable to attend this meeting. We hope to have him present at the One Call Excavation Meeting that will be held Tuesday, March 4<sup>th</sup> in Rapid City. Jeff Hendricks and I will also be attending.

Thank you for your time.

Sincerely,

Steven Sandman  
Safety Officer
