Subject: South Dakota One Call Board Agenda, Wednesday, August 27, 2014

Attached is a copy of the South Dakota One Call Board Agenda for Wednesday, August 27, 2014. This is being emailed to all parties involved in each of the One Call Complaints indicated in the Agenda. This is done as a courtesy to keep everyone informed of the process.

By law, the One Call Board must approve each Enforcement Panel Recommendation, which each party involved in the complaints has previously received. This approval is required unless a procedural error occurred during the Panel meetings. Legal Counsel of the One Call Board did not find that procedural errors occurred in any of these meetings. Once the Board approves the Enforcement Panel Recommendations, the Board Order will be mailed to each defendant named in the complaints.

**Please note:** if a penalty amount applies in a complaint, payment must be received within 30 days of the Certificate of Service date on the Order. In some cases payment has already been received. All other requirements of each Order must also be met.

If you have any questions regarding this process or the Board Order, please feel free to contact me.

Thank you.
