Re: OC14-033 AGK Electric against City of Vermillion.

Please see the enclosed revision to the South Dakota One Call Enforcement Panel Recommendation regarding OC14-033. This revision is to correct a typo regarding the suspended and unsuspended dollar amounts. The date for returning the Request for Hearing, if you choose to request a Hearing, remains unchanged.

As a reminder, no penalty payment is necessary until after the South Dakota One Call Board approves the Panel Recommendation and the Order is served. I would look for that in the mail by March 1, 2015.

I apologize for any inconvenience or concern this may have caused.
