Re: OC15-005 Nebraska Public Power District against Doug O'Bryan Contracting, Inc..

Under the authority granted by SDCL-49-7A-22, the Enforcement Panel of the South Dakota One Call Notification Board met on March 27, 2015 to determine whether there is probable cause to believe a One Call violation occurred in Complaint Docket OC15-005. The Enforcement Panel's findings are enclosed. You may request a hearing according to SDCL-49-7A-27, if you disagree with the Enforcement Panel findings. If you do request a hearing you must be represented by legal counsel at the time you present your case to the One Call Board.

Failure to respond to this notice or request a hearing is considered acceptance of the Enforcement Panel Recommendation. In that case, the Recommendation will be Ordered by the SD One Call Notification Board and your right to hearing is waived.

If you choose to request a hearing you must return the signed and dated form, which must be received prior to the close of business on April 29, 2015:
