9. OTHER INFORMATION:

Please provide any additional information to support your position: On April 14 I doing a under ground rough-in in a new building on the property of 1604 13th ave sw in watertown. the property owner contracted beck plumbing to do the work after may 1st when they take possession of the property. they then told me to start earlier because the cement contractor could only pour the floor on the 15th. while doing the under ground the owner wanted the waterline moved from where it was stubbed in. so I dug a new trench in side the building for the new waterline. outside i dug just enough to get a new roll of copper and burythe trench in side so the cement contractor could pour the concrete. upon digging outside the building i nicked the gas line service to this building.
