Under the authority granted by SDCL 49-7A-22, the Enforcement Committee of the South Dakota One Call Notification Board met on January 9, 2008, to determine whether there is probable cause to believe that a violation has occurred relative to Complaint OC07-009 filed by Northern Natural Gas Company against Bowes Construction, Inc.

By a unanimous vote of the Enforcement Committee, the recommended resolution to the alleged violation included in this complaint was determined to be as follows:

Complaint OC07-009

Alleged Violation of SDCL 49-7A-5 Notification of Proposed Excavation

The Committee found there was probable cause that Bowes Construction, Inc. had violated SDCL 49-7A-5 by commencing excavation on ticket number 073100221 prior to the start date of November 8, 2007.

The committee recommends a penalty of one thousand dollars (\$1,000.00):

Bowes Construction, Inc. should be aware that any future violation of SDCL 49-7A or ARSD 20:25 within twelve months from the date of the final order are be subject to additional penalties up to a maximum of \$5000 under SDCL 49-7A-18.

The committee acknowledges the action plan provided by Bowes Construction and encourages full implementation to insure that future occurrences of this nature are prevented. The committee would also encourage Bowes Construction to consider utilizing an electronic notification process which will allow them immediate access to the processed ticket for internal controls.

The findings and recommendation of the Enforcement Committee are summarized on the attached form.
