Your answer should be as thorough and detailed as possible and should include any documentation that supports your position e.g. witness statements, pictures, etc. We would encourage you to specifically address the alleged violation referenced in the complaint.

Pursuant to SDCL 49-7A-22 a panel of Board members will make a determination of probable cause based on the complaint and associated response. If probable cause is determined, the panel may recommend penalties under SDCL 49-7A-18 or SDCL 49-19.

If any financial penalties are assessed in response to the complaint, the amount will be based on the factors noted in SDCL 49-7A-26 which are as follows:

1. The amount of damage, degree of threat to the public safety, and inconvenience caused;
2. The respondent's plans and procedures to insure future compliance with statute and rules;
3. Any history of previous violations;
4. Other matters as justice requires.

You may address any of these items in your response, if you believe it would be of value to the Enforcement Panel when they consider this complaint.

Appropriate liens and other legal collection actions could result. **You are strongly urged to reply to this Notice** in the time frame described above **and** to obtain the advice of counsel should you have any legal questions.
