Safety Meeting – SD One Call Laws

Date: 11/16/20
Start Time: 7:00am
End Time: 7:21am
Meeting host: Jimmy Dowden

Discussion Topics:

- Review SD One Call Operation Manual at:
<https://www.sdonecall.com/wp-content/uploads/2020/03/Operations-Manual-2020.pdf>
- Submitting One Call: The office will always submit the ticket for a one call. Absolutely no excavation or digging can begin until 48 hours after the one call has been submitted. DCC Office will notify excavator of completed ticket status.
- Ticket Length: All tickets must be renewed/updated within 21 days of the original ticket date/time. The office will keep track of dates.
- Markings: The following colored flags indicate what type of facility is within 18" of the flag. Any digging that must be done within 18" of any flag **MUST BE HAND DUG**
 - Red - Electric Power Lines, Cables, Conduit and Lighting Cables
 - Yellow - Gas, Oil, Steam, Petroleum or Gaseous Materials
 - Orange - Communication, Cable TV, Alarm or Signal Lines, Cable or Conduit
 - Blue - Water, Irrigation or Slurry Lines
 - Fluorescent Pink - Temporary Survey Markings White - Proposed Excavation
 - Purple - Reclaimed Water, Irrigation or Slurry Lines
 - Green – Sewers and Drain Lines
- Hitting a facility: In the event that an underground facility has been damaged, 811 must be immediately notified along with the operator of the facility. 911 may need to be called in the event that a flammable or toxic substance is being released.

- Questions
