RE: OC21-007

To SD One Call Notification Board,

On 12/22/2021 Winter Contracting held a meeting with all our excavation crew members for a duration of two hours.

In addition to reviewing our company's standard safety program our crew also;

1. Watched Pipeline awareness videos
2. Studied and reviewed 811 rules, regulations, and laws
3. Read through rules of operation 49-7A, items 1 through 35

Enclosed is the list of employees in attendance and their signatures. We have enclosed the original signatures.

Please feel free to call if you have any questions.

Thank you

Nick Winter
Safety Manager
