COMMENTS

Assessment Comments: On June 8th the Montana Dakota utilities half inch plastic gas service to 500 pleasant street was hit by wooden stake. The service line was potholed and expose in 2 different areas in the work area and was still hit by pounding in a wooden post. marks were destroyed due to concrete being removed but from what marks were left the marks were right on. MDU said the contractor was definitely at fault gas was blowing and fire department was on site. 811 was notified.
