

I talked to Mike Reecy at 6582 Peninsula Pt. He said he had his sewer line repaired and sent the bill to you, Scott. He could not remember the exact amount, but he thought it was between \$3500.00 and \$4000.00 for the repair of the sewer line and the concrete work.

This matter is the responsibility of Lake Madison Sanitary Sewer Department and ECI to resolve with Mr. Reecy and ensure he gets reimbursed in a timely manner. He will provide pictures if necessary.

We got a call from Mike Reecy at 6582 Peninsula Pt. saying that he was having trouble with his sewer line.

He had it scoped by Route Rooter and found that it had been damaged. I have not seen a picture of the damage, but Mike said that Roto Rooter gave him a flash drive of what they found.

I know you had excepted responsibility for a couple other damaged sewer lines that happened this summer. 6634 Peninsula Point & 6640 Peninsula Point.

Mr. Reecy lives at this address year around so this will need to be addressed sooner than later.

His full address is:

Mike Reecy
