

REVISED

2023 Spring Damage Prevention Meetings Schedule

to include Brookings, Mitchell and Watertown Rescheduled meetings.

You are cordially invited to attend the Annual Spring Damage Prevention Meetings presented by South Dakota 811. These meetings will be informative sessions to assist the excavation community and operators of underground facilities in reducing damages while improving safety for excavation employees and the general public. It is our sincere desire to facilitate and maintain an effective dialogue to ensure safe excavation practices for all parties. Each session will be approximately 2 hours in length, with ample time provided for discussion of items important to all attendees. Please share this schedule with employees involved in excavation activities, locate requests or locating buried facilities.

Please know, this schedule is subject to change. South Dakota 811 will make every effort to keep the schedule while keeping everyone's safety in mind. In order to meet needs, we will be presenting in person and online. OSHA and Pipeline Safety will also be presenting when possible. In order to anticipate attendance, please register using the links below.
